

Erratum to “Roberto Corona, Nicola Montaldo: On the transpiration of wild olives under water-limited conditions in a heterogenous ecosystem with shallow soil over fractured rock. DOI: 10.2478/johh-2020-0022”

Roberto Corona, Nicola Montaldo

Dipartimento di Ingegneria Civile Ambientale e Architettura, Università di Cagliari, Via Marengo, 3, I-09123 Cagliari, Italy.

The authors wish to make the corrections as follows:

1. Page 339, left column, lines 26–27 from the top: “(Cannon, 1911; Eliades et al., 2018; Estrada-Medina et al., 2013)” should read as “(Cannon, 1911; Eliades et al., 2018; Estrada-Medina et al., 2013, Montaldo et al., 2020b)”.
2. Page 339, left column, lines 39–40 from the top: “of the tree roots from the rocks and its role in ...” should read as “...of the tree roots from the rocks at the monthly and yearly scales, and its role in”.
3. Page 339, right column 2, line 13 from the top: “5 m and 8 m from a tree clump.” should read as “5 m and 8 m from a tree clump (Montaldo et al., 2020b)”.
4. Page 340, right column, line 22 from the bottom: “footprint can be estimated as:” should read as “footprint can be estimated as (Montaldo et al., 2020b):”.
5. Page 340, right column, line 8 from the bottom: “(5), f_d was evaluated as:” should read as “(5), f_d was evaluated as (Montaldo et al., 2020b):”.
6. Page 346, right column, line 5 from the top: “We proposed to compute” should read as “We computed”.
7. Page 346, right column, lines 22–24 from the top: “(Breshears et al., 2009; Eliades et al., 2018; McCole and Stern, 2007; Schwinning, 2010).” should read as “(Breshears et al., 2009; Eliades et al., 2018; McCole and Stern, 2007; Schwinning, 2010), and much higher than the 80% of ET estimated by Montaldo et al. (2020b) at the seasonal scale in the same site.”.
8. Page 346, right column, line 27 from the top: “roots in fractured rock.” should read as “roots in fractured rock (Montaldo et al., 2020b)”.
9. The following reference should be added in the references section:
Montaldo, N., Corona, R., Curreli, M., Sirigu, S., Piroddi, L., Oren, R., 2020b. Rock water as a key resource for patchy ecosystems on shallow soils: Digging deep tree clumps subsidize surrounding surficial grass. *Earth’s Future*. <https://doi.org/10.1029/2020EF001870>.
