

• Editorial

Thank you for our reviewers of 2016 Environmental Health and Toxicology

Environmental Health and Toxicology (EHT) relies upon the commitment, expertise and judgement of its reviewers to maintain the high standard of research it publishes.

Here, we list all reviewers who have contributed one or more reviews during 2016. Acting as a reviewer for EHT entails significant time and effort.

We very much appreciate the support we have received from all these colleagues.

Mina Ha, MD, PhD
