jhsb.sagepub.com

The editor wishes to acknowledge the following people who reviewed one or more manuscripts for the *Journal of Health and Social Behavior* during the period October 2, 2020, to October 1, 2021. Peer review of manuscripts is an often underappreciated contribution yet is essential to the discipline and quality of scholarship published in this journal. We value the importance of peer review and express our sincerest gratitude to these individuals for their editorial recommendations and invaluable service to *JHSB*.
