Editor-in-Chief

Prof. Dr. Albrecht Classen

Message from the Editor-in-Chief

We welcome contributions that address fundamental issues in the *Humanities* from any meaningful perspective, combining past and present concerns in order to blaze a path toward the future. Interdisciplinary approaches are particularly welcome. All submissions will be critically reviewed by peers, aiming for the highest possible scholarly level. Being an online journal, the published papers will reach their desired audiences faster, more reliably, and much more easily than traditional print versions, while upholding the same, if not even higher, scholarly standards.
