These include the art and archaeology, history, anthropology, literature, philology, and epigraphy of the Near East and eastern Mediterranean world from the Palaeolithic period through Islamic times.

Manuscripts and books to be considered for review should be sent to the Editors. Manuscripts are subject to peer review by at least two outside readers as well as the Editors. Manuscripts may be submitted for consideration via the BASOR Online Submission System at <http://www.editorialmanager.com/basor/>.
