Correction to: European Radiology

<https://doi.org/10.1007/s00330-021-08163-7>

The original version of this article, published on 16 July 2021, unfortunately contained two mistakes. The following corrections have therefore been made in the original: The spelling of Newrhee Kim's name was incorrect and the middle name in Perry J. Pickhardt's name was missing. The corrected author list is given above.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
