

Frontiers in Chinese Linguistics

Volume 9

Editors-in-Chief

Chu-Ren Huang, The Hong Kong Polytechnic University, Kowloon, Hong Kong
SAR, China

Rui Guo, Peking University, Haidian District, Beijing, China

Frontiers in Chinese Linguistics (FiCL) is a book series jointly published by Springer-Nature and Peking University Press. FiCL aims to publish original and innovative research outcome in the fast expanding and developing discipline of Chinese language sciences. FiCL welcomes submissions of proposals of the following types of books on issues related to Chinese language and linguistics: selection of post-conference papers from leading edge prestigious conferences and workshops; monograph on research with potential to open new frontiers; and outstanding dissertations dealing with new issues and new methodologies. FiCL volumes will be published by Springer with worldwide distribution and by Peking University Press in China. FiCL is the sister series of 语言学前沿, a prestigious book series published in Chinese by Peking University Press introducing new theories and new ideas in Chinese linguistics.
